DEADRISE	21° VEE
MAX PEOPLE	5

UNIQUE FEATURES

Southern Formula is proudly built in Australia by craftsmen who have been in the business for over 60 years. Our design and manufacturing team consist of qualified boat builders and a full time Naval Architect. These boats have been designed to produce greater performance over older designed boats from the 70's. Our goal was to improve on a few key features: better ride quality, better stability, more efficient hull, dryer ride with overall features and benefits internally.

Our mission was to design a superior fishing boat for its intended use, not for a race boat. The final result could be argued to have achieved both!

There is no doubt that the new Southern Formula range will be one of the best blue water fishing boats produced in Australia.

The Southern Formula 2100 has all the critical features that fishermen have been asking for, Including:

- Built tough for offshore conditions
- Custom designed wave breaker
- 60 Year pedigree
- Variable 21° Deadrise Vee for a soft, stable, Economical & performing Hull
- Tow-able beam at 2.4m
- Full foam filled hull Std.
- Duel live bait tanks Std.
- Long range fuel tank 280L Std.
- ECM Stringer system Std.
- 240L underfloor storage Std.
- High quality finish and build
- Huge cabin storage shelves x 4
- Best in its class dash space arrangement
- Full length bunks Std.
- Fully supported by national dealer network
- Heavy duty deck hardware Std.
